The Seniors of Powell Valley High School
Big Stone Gap, Virginia
Present
The Tenth Edition of the

VALHALLA

FOREWORD

What is time but a fleeting moment of happiness, of sadness, of defeat, or of victory? What is memory but a time that has gone and can be captured only within our mind which molds the time to our will? In this, the Tenth Edition of the VALHALLA, we have tried to capture the memories of a beautiful time.

ALMA MATER

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
 our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

Ecclesiastes 3:1

Mr. J. P. Horton

Message to the Class of '69

To everything there is a season, a time to every purpose, and for every occasion, words of advice to be offered. Seniors, thou knowest better than I that I am growing older. I ask to be kept from the fatal habit of thinking that I must say something wise on every occasion. Free me from the desire to straighten out all of your affairs. Give me the capacity to be thoughtful but not moody, helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it all, but thou knowest, seniors, that I want a few of you as friends at the end.

CLASS HISTORY

SENIOR 1969: A time for dreams, a time for reality, and a time for memories.

From the time we entered Powell Valley High School as small, frightened Pee-dabs, we knew we had the dream of seniorhood to cherish. That first step in our "time" ladder was probably the most confusing and yet it was so much fun. We had to become accustomed to changing classes, having several different teachers, attending and participating in assembly programs. Sometimes we felt as though we were lost in every aspect, but we conquered the transformation and knew we would fondly remember our year as sub-freshman.

As we entered our freshman year, we felt more at home. This year we were more active in clubs and began to develop the leadership qualities of the class members who were to guide our class, the organizations, and the school during our climb to our dream. During our sophomore year, we were still having our time to dream. We had advanced to the Varsity Club with our own representatives to cheer those boys on; we began to grow in confidence and spirit as we realized we were very close to being upper classmen and meeting the challenge of the time for reality.

The year of 1967 brought us only one step from our cherished senior status, but we enjoyed this last year of dreaming as much as possible. We were juniors—proud in every way. We had the spirit and the quality to make this the best junior class in the history of Powell Valley. Enthusiastically, we began our magazine campaign and sold more magazines than any class before us. When May came, we walked into the once gym and now fairyland of "Love is a Many-Splendored Thing." We were measured for our class rings and ordered our calling cards, realizing our dream time was over and reality only months away.

The fall of 1968—our time for reality. We had reached our goal. With pride, we took our front seats in the auditorium. Before long, our class rings arrived and we were "officially" seniors. The months passed, and as we walked the halls, yelled at the ball games, and attended classes, we realized we were doing these things for the last time. Again May came and brought with it graduation—not graduation for those before us, but for us—the Class of 1969.

Our time for dreams, our time for reality—in all of this, we had a time to laugh, a time to cry, a time to win, and a time to lose. Now we have our time to remember.

As we entered Powell Valley this year, it was hard for us to realize that the greater part of our high school career was behind us.

Our junior year has been filled with new and more challenging classes, club activities, and many thrilling moments. Altogether we have felt more responsibility. Selling magazines to earn money for the Junior-Senior Prom was the main project of the year. When we finally ordered our class rings and calling cards, we knew that we were only one step away from the coveted position of Mighty Seniors.

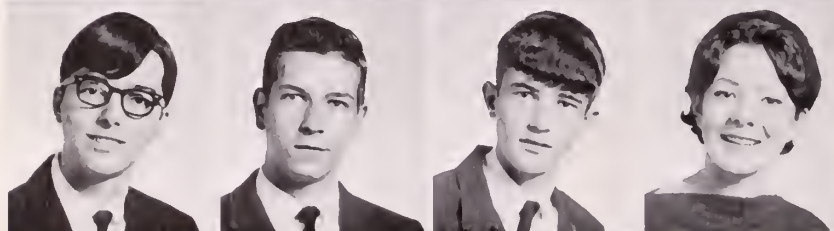

As we plan for the coming year with high hopes, we wish sincerely to thank our sponsors for helping us make this year such an exciting and successful one.

As we began our sophomore year, we realized we were taking another step forward in broadening our education. Not only did we learn to accept more responsibility, but we also became more a part of high school life by adding new members to the football and basketball teams.

At this time we wish to thank our teachers and sponsors for their assistance and guidance.

As we entered Powell Valley High School as Pee-dabs, we found the first few weeks difficult. We were lost as we searched for the right classroom and the right teacher; we were separated from old friends, but we had the fun of making new ones.

Gradually we learned to find our way to classes without getting lost—very often. As we leave this first year in our high school career, we wish to thank our teachers for their guidance and co-operation during this time.

THE VIKING BAND STORY

One word might well describe the 1968-69 Viking Band—success. We had wondered how we could top the 1967-68 season and lo—the Bristol Band Festival was the beautiful answer. Although Bristol, October 5, 1968, was not our first competition of the year, it was the sweetest. Hours of practice on routines and music preceded the success. The Chilhowie Apple Festival was a full dress performance. We brought home a superb rating, but by far the best news of the marching season was the clean sweep, a never-before first place capture, the first in the long history of our participation and one of few, if any, triple wins for any band of any division in the eighteen years of the Southeastern Band Festival. The band, the Drum Major, and the majorettes walked away with first place trophies. An average grade of 99 in band competition is difficult to attain, but we did it! It can be done! We were indulged and allowed to brag of our success. However, marching season had to end. The Appalachia ball game was a fitting climax, a three drum set performance. Christmas parades sprinkled December as snow and disagreeable weather sprinkled Wise County.

Concert season ushered in a new music, a new determination, and renewed effort. Four of our members participated in All-State Band, held in Gate City, Virginia, on January 31, February 1, 2, 1969. Regional Band Festival was held March 8, 1969, at Holston High School.

The highlight of the concert season was the Spring Concert, May 2, 1969. This never-to-be-forgotten year ended with the graduation exercises, at which time the seniors tearfully departed to the strains of "Days of Glory."

Thus ended this most enjoyable year, which would have been both less enjoyable and less successful, without the direction and guidance of our director, Mr. David R. Tipton.

The 1968-69 Viking Glee Club has proved to be one of the most exciting and rewarding clubs of Powell Valley High School. Although Glee Club requires a great deal of time and work, we feel that the satisfaction we receive from giving our performances more than compensates for the effort we put forth. Under the capable direction of Mr. Jack Gibbs, the Glee Club has performed for the student bodies of Powell Valley, Big Stone and East Stone Gap Elementary Schools. In addition to these, we had the privilege of presenting our annual Christmas Pageant at Appalachia High School. We performed for a Kiwanis Club luncheon and for the Senior Class Sermon.

To Mr. Gibbs, we extend our appreciation for all that he has done to make our club such a rewarding experience.

This year the Student Co-operative Association feels that it has accomplished the goals that were set at the beginning of the year. The members of the Student Council have tried to set a good example for all the students of Powell Valley High School. The SCA is very proud of its school and wishes to preserve the qualities and standards which are responsible for Powell Valley's good name.

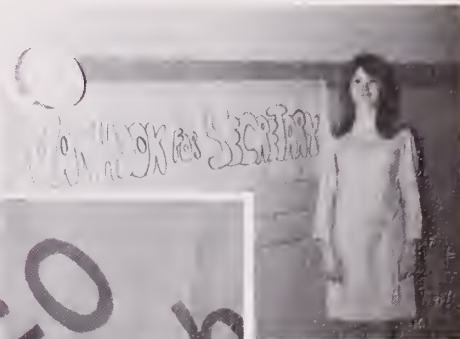

We have had several major projects. An orientation for the eighth grade was conducted at the beginning of the school year. This consisted of a "big brother—big sister" program and the printing of SCA constitutions and school handbooks for each eighth grade student. We have sponsored Field Day, Homecoming, several record hops, intermural basketball, and attended the SCA District Conference. Two of our principal projects were Exchange Day and a Christmas Ball. On Exchange Day, we sent five students to Wise High School to spend the day, and on a later date, several Wise students visited Powell Valley. We discussed our school problems and exchanged ideas on how to improve these situations. The Christmas Ball was a semi-formal dance for all Powell Valley students and former graduates of the school.

We are extremely proud of our organization, and we hope that it will continue to grow and benefit our school. We wish to extend our sincerest appreciation to Mr. Carnes, our sponsor, and Mr. Horton, our principal, for the interest they have shown and for the help they have given us.

Outgoing President, Stanley Botts, Jr., installs President-elect Sheila Goins.

The Key Club of Powell Valley High School, a part of Key Club International, is a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, promoting good will, providing experience in living and leadership, promoting good will, providing experience in living and working together, and preparing young men for useful citizenship by serving the school and community.

A club for "key boys" with "We build" as its motto, the Key Club is a helpful service to the school and community. Some of the many Key Club projects and activities have included lining off the football field for home games, directing traffic at the District Teachers' Meeting, collecting and delivering food, toys, and clothing for the Christmas baskets to needy families, sponsoring the annual Sweetheart Dance, and helping the Kiwanis Club with the annual Singing Convention.

Our sponsor, the Kiwanis Club, has helped us very much. Special attention and a hearty thanks go to our school sponsor, Mr. Jerry Clark, and to our Kiwanian sponsor, Mr. Arthur Whitt. Their guidance and supervision have helped us to make this a successful year.

During the past year, the Powell Valley Co-ed Hi-Y Club has tried to live up to its platform, "clean speech, clean sportsmanship, and clean living." We have put into practice our club purpose, "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Our club attended the Lonesome Pine District Hi-Y Conference, Officer Workshop, and the Lonesome Pine District Induction Service. We sold Christmas bows to earn money to give the annual Christmas party for local underprivileged children. With a membership of fifty students from grades eight through twelve, we feel that our club has had a very active and rewarding year.

We wish to thank our faculty sponsor, Mrs. Grace Rose, for her guidance and interest in our club during the past year.

THE LUCKY LEIFS

Our motto is: "We never guess; we look it up!"

The Library Club of Powell Valley High School celebrated its tenth birthday this year. Known as the Lucky Leifs, each of the twenty-five members were encouraged to maintain a high scholastic average, display excellent leadership, and attend meetings. Our main objective was to encourage students and faculty to use our materials to the best advantages. We constantly evaluated our services to the school and tried to be of greater assistance to the students and faculty.

In addition to routine library activities, the club presented a Homecoming assembly and skit entitled "Quizz Business," celebrated National Book Week, visited Clinch Valley College Library and Wise County Public Library, and entertained the faculty with a party commemorating the tenth birthday of the Powell Valley High School Library Club.

The Library Club commends our sponsor and librarian, Miss Billie Jean Scott, who is very patient and understanding. Miss Scott is now serving as Vice-president of the Department of School Librarians of the Virginia Education Association.

The 1968-69 Speech Club began the year enthusiastically. With the aid of our sponsor, we had one of the best classes in the history of Powell Valley High School. We were involved in such activities as speeches, skits, humorous monologues, and class discussions. It was our great pleasure to present plays for the school Christmas assembly and for a spring assembly program.

The true interest in speech by the students of our school was shown by the large number of members in our class. We were also fortunate to have as our capable sponsor, Mrs. Grace Rose. With her assistance, we accomplished the goals which we had set at the beginning of the year.

Vocational Office Training, a class for senior students, prepares them for a career in the ever-expanding world of business. This course included studies ranging from filing and transportation to the operation of dictating-transcribing machines, adding machines, duplicators, calculators, and other machines used in the business firms of today.

V.O.T., being a part-time work program, offers two academic units for those who work and one unit for those who do not. If the students so desire, they are permitted to work in local business offices. Through working, they not only earn spending money, but they also learn to co-operate with fellow workers and to accept the responsibilities of a full-time job.

All of the above skills and techniques would be impossible to attain without the very capable guidance of our sponsor, Miss Beth Siphers. The members of the 1968-69 V.O.T. Club wish to express their thanks to Miss Siphers for her help and guidance.

The French Club of Powell Valley High School is composed of those students taking French I and II and a few honorary members who have successfully completed two years of French.

Our French Club had several purposes for the year. In our study of French, we strived to learn more about the language itself, to study the government of France, and to gain a greater knowledge and appreciation of French customs and traditions.

We have participated in numerous activities. Several students corresponded with French pen pals; we also learned to sing Christmas carols in French. In February we presented our annual assembly program.

The members of the French Club would like to express their appreciation to Mrs. Delores Pippin for her capable leadership and patience.

Los Conquistadores, also known as the Spanish Club, consists of Spanish I and Spanish II students and several honorary members who have previously taken Spanish.

The Spanish I and II classes, and soon to be III, learn about the Spanish speaking countries through a study of their customs, history, traditions, songs, and of course, their language.

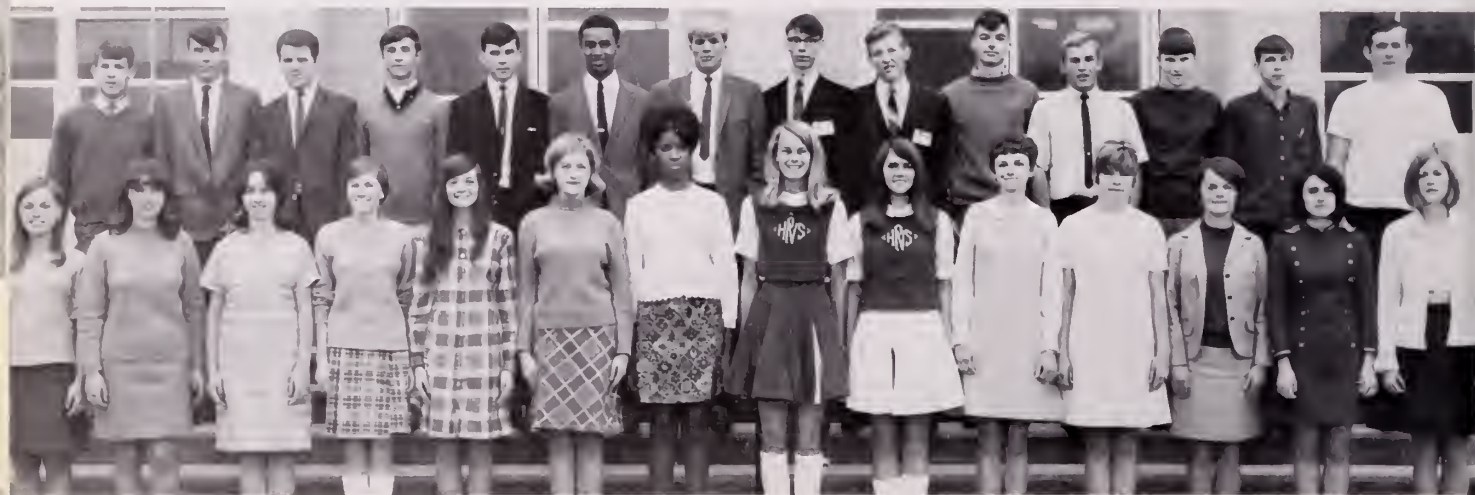

The study of the language is done through pronunciation drills, translations, tape recordings, films, and the patience and direction of our capable teacher, Mr. Wade Miller, Jr. To him we say, "Mil Gracias!"

From "Cinderella"

The Art Club's goal is to pursue the wide world of art and to learn to appreciate art in nature, ourselves, and life. Our work included entering the annual "Keep Virginia Green" poster contest, learning to work with chalk, pastels, and oils, and drawing everything from sceneries to portraits. We strived to accomplish this with the guidance and patience of Mrs. Jarrett.

Our class of struggling young artists wishes to thank Mrs. Jarrett for the help and understanding she has given us this year.

THE VIKING STORY

Although this was not one of the Vikings' most successful football seasons, the team kept the spirit and desire of champions. For their excellent conduct during the season, they earned a Team Sportsmanship Award.

The team showed improvement as the season progressed, but injuries during the last weeks managed to slow the Vikings' pace. After giving arch-rival Appalachia a harder fight than the Bulldogs were expecting, the season ended with a 3-6-1 record.

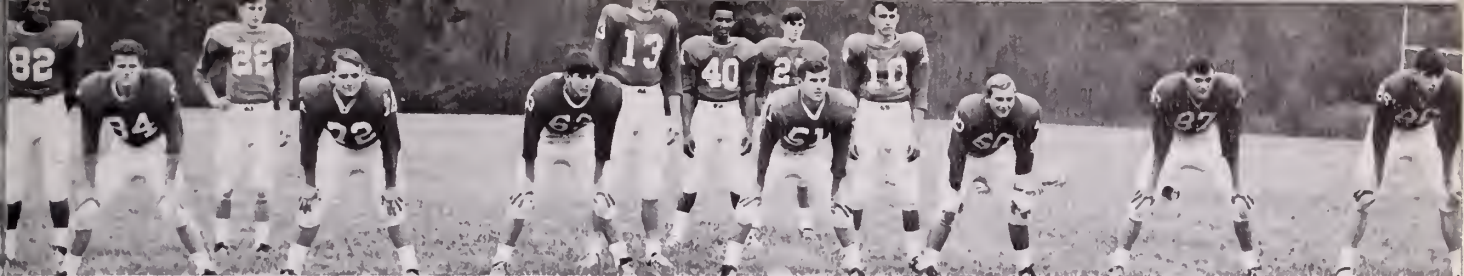

In addition to receiving the Team Sportsmanship Award, several individual members were honored. Selected to play on the Lonesome Pine All-District Team were Pat Murphy as line backer and Billy Joe Berta as offensive end. Braeuster Jackson was named to the *Knoxville News-Sentinel's* All District Team as defensive back for the first team.

Praise must be given to our Viking coaches, Cecil Maddux, Don Campbell, and Robert Collins, for the time and encouragement they have given us during the many long hours of practice and game-time.

JAMES STONE
Forward

For Coach Don Campbell and the Viking basketball team, the season of 1968-69 was the time to win. The conviction that the Vikings would be "Number One" grew stronger with the passing of each of the fifteen victories. Although there were only five losses during the season, they were deeply felt since four of the five were lost by only one point. The Vikings' sweetest victories were over Gate City, Coeburn, Haysi, and Appalachia. In the Coeburn game, the school scoring record for a single game was set when the Vikings hit a total of 102 points. In the same game, Tommy Myers tied the individual school record by scoring 40 points. In the Wise County Tournament, a victory over Coeburn coupled with a breathtaking overtime win over arch-rival, Appalachia, brought the Wise County Championship Trophy home with the Vikings. Powell Valley had succeeded; The Vikings were "Number One!" Two Vikings were chosen as members of the All-County team: Billy Joe Berta and James Stone. Although the Vikings suffered a "one-point" loss in their first night in the Lonesome Pine District Tournament, the Viking season of 1968-69 was one to be remembered. Since the team loses only two seniors, the 1969-70 season shows great promise.

AND A TIME FOR PARTING

Have courage ... to accept defeat with grace and dignity but also with determination to do better the next time.

Have faith ... to think you can accomplish for you will accomplish. What you believe in, you will be.

Have compassion ... to serve with kindness and gentleness for without these, you will not survive as human beings.

Have pride ... to be content only with first place ... to stand erect and boldly, shoulders braced to meet the world, as a Viking should.

As members of the Class of 1969, we tell you to have courage, have faith, have compassion, have pride, and live and love Powell Valley High School

for soon

it will be

your time

for parting.
